

AAMVA 2024 Regional Conference Call for Presentations

AAMVA Region 4 President Roger Grove invites you to share your expertise and experience with the attendees of the 2024 Region 4 Conference. Please use this form along with any necessary attachments to have your presentation considered. *Submission deadline is April 21* via email to Julie Knittle at jknittle@aamva.org.

The conference agenda will include 3 Industry Showcase sessions with focus on the following topics:

- 1. Identity management/mDL topics
- 2. Vehicle topics
- 3. Customer service/operations topics

Representatives from companies who have information to share on industry trends, emerging technologies, and/or strategic direction in the above topics are invited to submit presentation proposals and outlines for possible inclusion in an Industry Showcase during this year's Region 4 Conference.

Presentations should cover a range of topics that impact both the law enforcement and motor vehicle communities. Please note, the conference agenda includes several topics that we prefer not to repeat during the Industry Showcase.

Companies interested in participating in the Showcase are asked to provide the information requested below.
